## Step 2: Payment of Registration Fee

Registration fee is required to be paid for student to proceed with Self Enrolment and Self Upload.

Click payment icon and payment can be made either via ePayment portal (online payment) or cash at bank. All students are **highly advice to use the online payment method.**

For cash at bank option, please print out the transaction slip. Only slip with printed payment transaction by the bank will be considered valid and send the slip to [vp@usm.my](mailto:vp@usm.my) and [admission\\_ips@usm.my](mailto:admission_ips@usm.my) to confirm the payment.

Note: For cash payment option, confirmation by USM is required for you to proceed for the rest of the steps.

*Please also note that this step will no longer be available after 20 March 2023. Registration Fee will directly be added into the Tuition Fee invoice. Student will need to skip this part at that time.*

1. Candidates need to choose only ONE programme
2. Successful applicants are required to read through the guidelines below in order to complete the registration.

The below instructions are applicable for Coursework/Mixed Mode programmes only:-

3. After accepting the offer, candidates need to pay the Registration Fee, create USM ID Account (Self Enrolment), upload photo for Student Card (Self Upload), Register for Courses and pay the Tuition Fees. (This process is available on a specific date, kindly refer to the **Registration Activities Schedule**).

Login

If you have tried accessing this site but failed, it is likely due to your information is not yet available in registration database. Please contact person or department that supply your PIN number.

Please provide information to ICT Security Unit at [infosec@usm.my](mailto:infosec@usm.my) if you encounter any problem.

**Note:** After generating the email address and student's status activated, it can be used to login to Campus Online portal, e-learning portal, access to online library and other online facilities.

#### Step 4: Self Upload for Smart Card

You need to upload a white background passport-sized photograph for your [Smart Card](#). For those who successfully created the smart card before the deadline, the card will be ready for collection on the first week of class at the respective schools/centres/institutes.

For international students, do not proceed this step if you are changing your passport number. You need to update IPS first, otherwise if your Student Card has been successfully printed with the old passport number, you need to apply for a new student card with additional payment.

*Please note that this step will no longer be available after 20 March 2023. Student will need to skip this part at that time and manually process it on a later date.*

#### Step 5: Course Registration and Tuition Fee Payment

Students are required to complete the course registration and tuition fee payment. Students will be allowed to attend classes, access to e-learning portal and use the University's facilities after activation of student's status.

*Please note that this step will be available from 1 February 2023.*

Log-in to Campus Online portal (<https://campusonline.usm.my/>) by using the ID and password created at Step 3 previously. You can register for courses that you wish to follow for that particular semester.

Please refer to the program timetable at [IPS website](#) or if it is not available, please refer to your respective schools.

Tuition fee is to be paid before activation of status can be done. Total fees will be automatically calculated by the system depending on how many courses registered.

#### A: Click the Online Reg button
